\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

•Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

•Indicates subtotal.

\*Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

● Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

•Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.
